Unique Features / other information :

Designed for the extended escapes, the 425 makes any passage a safe and comfortable experience, whilst its styling is a head turner in any local hide away.

Unrivaled sailing capabilities for its class, with twin Helming stations , and easily located genoa winches making short handed sailing a breeze. The clean deckline lines and layout, means moving around on deck is childs play.

Incorporating the latest injection moulding processes to ensure even weight and strength distribution, with hull, deck and bulk head lamination. Designer Umberto Felcini continues to produce the Ultimate Sailing Pleasure.

To make an appointment for a private viewing please call Jason Antill 0410 765 245
