Website : <a href="http://www.azzurayachts.com">www.azzurayachts.com</a>	Stand Number/ Location: Cockle Bay Marina

Model code of the new product: Azzura 33

### Description of new product :

Australian company, Azzura Marine are proud to present the baby of their motor yacht range, the Azzura 33, at the 2007 Sydney International Boat Show.

Although there are already a small number of Azzura 33 motor yachts on the water from previous years, these motor yachts were custom built vessels for each individual client. In researching the design requests of these customers, this new 33 will be available with a base specification and a nominated options list, however the forgotten art of fine hand-detailed craftsmanship will still very much be a part of this construction.

Designed as a 33 foot picnic yacht, the Azzura 33's lines, carpentry, chrome and lacquer work are a romantic reminder of a bygone era and offer something not often seen in today's production boating market, a celebration of a marriage between traditional design and modern construction.
