Unique Features / other information :

The Poncin Groupe's objectives was to build a 'smart cruiser' with refined lines, spacious interior and fast hull on all points of sail, but with ease of handling and great cruising capabilities. The small overlap Genoa, lazy jack main and asymmetrical spinnaker (optional) ensure that the yacht is easily sailed by the family of for charter cruising.

Wide deck walkways make this yacht great for family cruising, with the genoa tracks on the coach roof and shrouds attached to the chain plates on the toe rails. There is a family - safe enclosed cockpit to ensure everyone, even the little ones enjoy safe cruising.

However, to get performance right, the yacht combines moderate displacement with a refined hull, deep keel and high sail displacement ratio for performance and handling. The performance is above average for this type of yacht and will ensure that she is competitive on twilights.

Soromap or Sparcraft Masts and Elvstrom Sobstad sails guarantee performance and quality. Owners benefit from state of the art technology and know how of a world wide sail maker. Both the cloths and sails can be cut to suit your sailing performance requirements.

Available as either a 3 cabin version with 1 or 2 head configuration. The interior has a feeling of exeptional warmth and comfort with a modern style. With huge amounts of storage space, oversize fridge and all the luxuries you would expect from France.

Delivered ready to sail away, but can be customised using the worlds best marine brands with the addition of comfort, electronic and performance packs.
