<p>Description of new product :</p> <p>Shaft drive diesel powerboat incorporating classical styling with modern construction methods and exceptional build quality. Built in Maine, USA and based on the traditional lobster boats of the region, she will cruise at 20 knots with a range of over 265 nautical miles. Fuel economy is extraordinary throughout the entire speed range.</p>

<p>Unique Features / other information :</p> <p>The Back Cove 26 includes a standard bow thruster to facilitate low speed maneuvers. Her engine access could not be better, and the entire helm deck rises to reveal all the engine service points and the mechanical and electrical ship's systems.</p>
