Description of new product :

NEW IC-M33 VHF Handheld Marine Radio

The IC-M33 represents a new industry benchmark in marine handheld radio technology. Have you ever lost anything overboard? Introducing the world's first 5W VHF "Floating" VHF Marine handheld. It really floats, protecting your investment & your safety. Upgrade to the NEW IC-M33 today!

Loaded with advanced features, the IC-M33 boasts a Waterproof submersible design and a NEW high capacity lithium Ion battery which provides around 9hrs* of use. *(Duty Cycle: 5:5:90).

The Aqua Quake draining feature improves audio by removing water from the speaker grill, another Icom first!

Like all Icom radios, the IC-M33 is built in Japan with a rugged, die-cast aluminium chassis. The LCD display offers a large channel indicator & with the keypad is backlit. The IC-M33 can also be used with the optional Battery Case & Waterproof "Floating" Speaker Microphone.

Options include: Rapid charger, Battery Case & the NEW Waterproof "Floating" Speaker Mic. Available from you local quality marine dealer.
