Model code of the new product:
--------------------------------

Description of new product : Flush Hatch One Touch Winch Handle V1 Windlass
--------------------------------------------------------------------------------------

Unique Features / other information : The Flush Hatch is a low cost, completely flush deck hatch, designed for mounting in moulded deck recesses on boats.  Lewmar's ne 'One Touch' winch handle offers sailors a stylish, powerful and easy to use handle that provides rapid and simple winch entry and exit.  The V1's 'Fast Fit' technology speeds up installation by clamping the drive shaft of the deck unit to the gearbox below.
