Description of new product :

Port Binnli, the team behind the 2006 Australian Marina of the Year, Mackay Marina, is unveiling two exciting marina proposals for public consultation at this year's Sydney International Boat Show.

Shute Harbour Marina is a proposal to develop a master planned marina precinct which will create a safe, environmentally sustainable anchorage on the foreshore of Shute Harbour. North Harbour Marina is part of an exciting proposal to develop a multi use precinct on the banks of the Caboolture River. Information on both projects will be displayed at Sydney International Boat Show as part of the community consultation process so come and let us know what you think of the marinas of the future.

Port Binnli will also be presenting our new berths at Mackay Marina and expansion at Raby Bay Marina, Cleveland. Pay Port Binnli a visit at the Mackay Marina stand, 155.

The Sydney International Boat Show

2 to 7 August 2007 – Darling Harbour, Sydney - www.sydneyboatshow.com.au
