Website : www.aaametalsuppliers.com.au	Stand Number/ Location: 119

Model code of the new product: MWF

Description of new product : The international launch of the MWF range of stainless steel marine fittings
--

Unique Features / other information : Representatives of the Ningbo Metals Wire and Rope Fittings Company's team which developed this new range of stainless steel fittings will be available for interview at the Boat Show. MWF load rated marine fittings are individually laser etched with the MWF logo. All fittings are unconditionally guaranteed. The Ningbo Metals Wire and Rope Fittings Company Limited has been making stainless steel fittings for major European and Japanese labels for many years. They have chosen the Sydney International Boat Show to launch their own range of fittings made to the same high standards.
