Unique Features / other information :

The new Seawind 1000XL features an extended transom with 850mm of additional waterline length which has further increased performance, plus creating a smoother ride in choppy conditions. Combine this with ergonomically designed boarding steps for easy boarding from a dinghy or marina, with the swim ladder covered by a hatch, flush with the bottom step. OVER 20 HAVE BEEN SOLD SINCE THE BOAT WAS LAUNCH EARLIER THIS YEAR!!!!!!!
