Model code of the new product: 640 BowRider Sport
---

Description of new product : The 640 BowRider is a new model in our BowRider range and it had to be built to withstand Australia's rough conditions and with the Deep V wide beam combination it proves good performance in bay conditions.
--

Unique Features / other information : "The BowRider was built to a massive 6.4mtr with a maximum rating of 250hp. With built in toilet, transom shower, room for fridge freeze locker and keyless go the options are endless. For its versatility the BowRider was also designed with room for a single burner Metho stove. This is the best BowRider ever to be released in its class."
