## ANGLERS JOURNAL & ALMANAC FISHING PREDICTIONS 2009/10

### Description:

The Anglers Journal and Almanac is brought to you by the experts from Freshwater Fishing Australia and Sportfishing Marine and Trailer Boats magazines.

It features:

- Solar and Lunar Fishing Charts to find the peak times when fish are feeding. These charts are the best available, devised and tuned for Australia and local conditions. They will give the avid angler a definite advantage over their targeted fish.
- Tide Predictions for all States with local variations. Plan your trip for the optimum tides.
- Essential Fishing Regulations for all States. Ensure that you know the size limits, bag limits and closed seasons of the fish you are targeting whether you are in Victoria, New South Wales, Queensland, Northern Territory, Western Australia, South Australia or Tasmania.
- Basic Knots & Rigs will help you to quickly rig up and tie the knots that will help you to hook fish faster and keep them hooked.
- Basic Boating Regulations and safety tips to ensure that everyone enjoys your day on the water.
- Fishing Diary to record the conditions and results of your trip to help you plan for successful fishing trips in the future. You will want to keep the Anglers Journal and Almanac with you at all times whether fishing, planning to go fishing or reliving your past captures.
