Company Representative : David Hitchcock	Mobile contact : 0425231618
Website : www.clippercruisers.com.au	Stand Number/ Location: Marina

Model code of the new product: "Relaxation"

Description of new product :

"Relaxation" Sydneys newest **hire boat** - 38' trawler style, semi displacement cruiser. Manufactured in Australia and built to survey with a level of luxury that has not been found in previous hire boats.

Unique Features / other information :

Boating safety is a key design feature with wide fully enclosed walk round decks and an integrated boarding platform. The dinghy is stowed under the aft cockpit so it does not have to be towed. Accommodation is for 8 people over night or 3 couples in complete privacy with 2 permanent double cabins located forward. A single 305Hp diesel engine makes for economical running and a bow thruster is fitted for close quarter maneuvering. House battery capacity is much larger than other vessels and an 1800 watt inverter is also installed to supply 240V. A heating system is also provided for the colder nights. Water capacity is a huge 1,200 litres so you can disappear for a week.

"Relaxation" is now available for bare boat hire and corporate charter. Expressions of interest are also requested for boat shares or private investment.

The Sydney International Boat Show

31 July to 5 August 2008 – Darling Harbour, Sydney - www.sydneyboatshow.com.au
