Model code of the new product: Fusion 40
--

Description of new product : The Fusion 40 is a 40ft LOA kit Catamaran produced to CE 100A Ocean Going Certification. It's being built at the moment in over 8 countries world wide and Fusion has over 10 Agents located around the world.
--

Unique Features / other information : Fusion only uses high quality materials within it's kit's. This gives owners peace of mind and the flexibility and opportunity to create their own boat knowing that they have a solid and sound base to build and sail upon. The Fusion 40 is one of the newest designs in the multihull market place and uses state of the art manufacturing process's to create the lightest and strongest kit available today. It can be built to a shell stage in 14 days and employs simple proven construction techniques that require little fairing and no painting of the exterior. The kit components arrive with a high quality Gel-Coat exterior finish and with the non-skid decking already molded into the high quality components.
