Model code of the new product: SO45DS (Sun Odyssey 45 Deck Saloon)

### Description of new product :

The Jeanneau yard extends their successful and most sought after Deck Saloon Range this year with the Sun Odyssey 45DS becoming the first new model manufactured for sale in 2008. Recently released at the Paris Boat Show, visitors were able to view the first model in the new line of Jeanneau's next generation of Sun Odyssey yachts featuring a new development in design.

### Unique Features / other information :

While remaining true to the authentic elements that have become the hallmarks of a Jeanneau yacht, the factory introduced an overall refinement and contemporary feel to the interior furnishings and design. The spacious interior and modern design is enhanced by exceptional lighting in the saloon, where a raised coachroof design, wrap-around windows and large port holes create a bright, airy and welcoming atmosphere. Appealing lines and warm tones of the fine teak and superior woodwork further define the interior living space for comfort and a sense of well-being.

The sleek and modern styling further extends out to the exterior of the performance vessel, boasting a spacious cockpit with 3 separate areas for steering dining and lounging. The large cockpit table comfortably seats 6 and provides storage, indirect lighting and various other creature comforts for you your guests. The performance yacht also features twin helm steering with primary winches, a twin spreader rig with furling genoa and mainsail as standard, as well as an allocated space with easy access for life raft storage.

With new boat orders exceeding 120 in the first 3 months of Jeanneau announcing the new model to the world, the Sun Odyssey 45DS is bound to make a popular splash in the Australian market.

The Jeanneau Sun Odyssey 45DS makes its local debut at the Sydney International Boat Show in August this year.
