Description of new product :  
12V portable pressure washer. Comprising 13L tank, 6m hose, 5m power cord, 12VDC diaphragm pump with pressure up to 150psi, ear muff adaptor, filter basket for debris.

Unique Features / other information :

It's different from other pressure washers in 5 ways:

- 1) Use it anywhere without mains power or a generator. It works off 12V.
- 2) Portable. The tank of water comes with you.
- 3) Pressure. Jet stream is enough to lift salt and light mud but not enough to damage fibreglass or wood.
- 4) Goes easier on water. Flow rate of 1.5L/minute so you get 10 minutes with one tank. Has the Smart Approved Watermark for efficient devices.
- 5) Simple to use: Fill, Connect, Clean.
