SNAPPER DOWNUNDER DVD 2 DVD SET

Description:

Filmed on Port Phillip and Western Port and in the Spencer Gulf, this 2 DVD set is the complete guide on how to find, hook and land snapper. Featuring Brendan Wing, Warren Carter and the Salty Dog Crew, watch as countless large snapper, including several over the magical 20lb mark and Wing's massive red from the 2007 Tea Tree Snapper competition, are taken from the depths with a high fish-for-the-future ethic. Watch 4 hours of the hottest soft plastic footage ever filmed in Australia as soft plastics and traditional bait tactics are covered in depth from the basic to advanced. See Matt Cini vs Warren Carter in a charter guru shoot-out. All in Widescreen 16:9 HDV production and with a soundtrack courtesy of Baby Atom.
