Description of new product :
The NG Series to be released at the boat show is our most exciting innovation. This new range has been extensively tested and trialled and by far is the fastest, most reliable, maintenance free anchor winch on the market. The NG Series is manufactured in a range of capacities to suit boat from 4 - 10 meters plus. All NG products have the engineered freefall mechanism and are finished with the latest of metal technology giving the product a new, fully polished stylish look. The NG Series has the electric power up/down operation and freefall features.

Unique Features / other information :
Freefalls at 600 feet/minute
Will lower and retrieve at 80-90 feet/minute
3 year warranty for recreational users
Will fit into shallow and narrow anchor wells
No need to tie off at anchor
