Description of new product : New model X-Yacht designed specifically with luxury cruising in mind.

Unique Features / other information : The hull shape is more orientated towards cruising. Deeper hull sections allow more interior volume for tanks, and other essential cruising equipment, which also provides smoother motion sailing into the weather. X-Yachts special standard features, which give optimum sailing qualities, have been carried into this range: sandwich hull and deck; steel hull keel girder; composite lead keel; flush mounted through hull fittings; optimum weight distribution; discontinuous rod rod rigging equipment selected top meet the highest standard.
