Website : www.cobaltboats.com	Stand Number / Location: 201

Model / code of the new product: Cobalt 276

Description of new product :
Media Release
For Immediate Release
July 2009.

Cobalt 276, the ultimate in sportboat design.

New for 2009 Cobalt launches the 276. With 'next generation' styling, strong lines, extended running surface for faster planning, deep offshore hull and extended reverse chine's for the best stable dry ride, this craft is magnificently designed in the Cobalt tradition - over engineering and attention to detail, this is the ultimate for the boating family.

The 276 is unique from the flowing bow layout with dual position fore/aft facing lounge seating with optional filler cushions through to the trimmed dash with state of the art switch panel with real wood accents along with the new Cobalt stylized digital gauges and fine leather Italian steering wheel, to the integrated swim platform, thus providing a rich, luxurious feel throughout.

Standard as to all Cobalts are comfort features such as wide helm seats and cockpit console and convertible passenger helm. For those lazy summer days there is a huge sun lounge. Storage is plentiful on this boat and the richly appointed interior detail includes hand-stitched diamond patterned upholstery to finish the hand crafted brilliance that is Cobalt.

The Cobalt 276 will be on display at the Sydney International Boat Show 2009 - Hall 2, Stand 201.
