

NEW PRODUCT RELEASES

As provided by the Exhibitor.

Company Name: Ocean Solutions	Brand of Product: Nova Kool
Company Representative : Brian May	Mobile contact : 0421 503 474
Website : www.oceansolutions.com.au	Stand Number / Location: 505A

Model / code of the new product: Entire Range of 12 volt Refrigeration Systems

Description of new product :
Fridge & Freezers for mobile applications

Unique Features / other information :
Nova Kool have over 30 years of experience in mobile refrigeration & can be found operating in many countries around the globe but until now these top quality marine refrigeration systems were unavailable in Australia.

Specifically designed for mobile and off-power grid applications such as Marine, RV and Trucking; the range includes more than 20 distinctive models, which include refrigerators and freezers in single door, two door (either side by side or upright) & top loading configurations. They are available with a removable door panel to match your interior & all stainless steel hardware. For those with unique or hard to fit situations there are also conversion kits available with "FLEX" line.

Ocean Solutions have been appointed Exclusive Distributor & will have a range of their best sellers on display at the Sydney International Boat Show (Stand 505A)
