Model / code of the new product: SKYSHADOW

Description of new product :
SKYSHADOW is a fast, effortless, affordable shading solution for small craft and sports fishing boats. SKYSHADOW is "custom made" to fit to the inside glass of any size or angled window, hatch or port light and mounts directly on the window using easy to fix suction caps. Featuring outer and inner reflective foils with internal air insulating pockets SKYSHADOW controls cabin temperature, reduces condensation, protects your boats interior from UV damage, and folds into an optional draw string bag for neat, discreet storage.

Unique Features / other information :
Insert or remove SKYSHADOW whenever glaring sun, cabin temperature or privacy is an issue. A practical, low cost blind solution when permanently fixed blinds are not possible. See SKYSHADOW at the AMI SALES stand in Hall 4, stand 422-425.
