Model / code of the new product: SpliceRight Kit

Description of new product :
DeckHardware in conjunction with SpliceRight will be displaying their new Australian product a Splicing Kit at the 2009 Sydney International Boatshow.

The SpliceRight kit is based on tweezer type tools that can enter the core of the rope to be spliced, allowing for fast and easy terminations. The kit is aimed at those who do their own handy work with the modern styles of rope.

Unique Features / other information :
SpliceRight Kit Includes:

- Lined nylon zipup bag
- A refillable gas powered Hot Knife, able to cut rope and seal the end at the same time - Butane refills are readily available through hardware stores
- Two sizes of tools (forceps) suitable for ropes from 3mm to 20mm
- Sailmakers Palm
- Spool of whipping twine
- Assorted needles (3)
- A utility knife
- Roll of PVC tape
