

ENDURANCE 750 HARDTOP (680+7)

MASTER THE SEAS

The Endurance 750 is at the pinnacle of luxury yacht design and finish. The world release Endurance 750 pilothouse by Hampton Yachts will be debuting at the upcoming Sanctuary Cove Boatshow. Based on the extremely successful Endurance 650 version the design team at Hampton has built the perfect long range cruiser for our testing Australian oceans & conditions. The 650 has been increased (in the mould) in length to a 680 version and a 7ft yacht fisher cockpit with all the requirements for the most enthusiastic fisherman or diver sees the vessel at an LOA of 75ft. The increase in volume has allowed the Hampton Yachts builders to increase her fuel capacity to over 10,000ltrs providing an incredible range of 2500 nautical miles+. This three cabin plus crews quarters Leviathan is built to the highest of standards and features the latest in technological advances and equipment. Like all Endurance yachts this vessel has been designed to comfortably cruise the Coral Sea and many other long-haul destinations in comfort and style. Powered by twin Caterpillar C-18, 873hp diesel engines an economical cruising of 10 kn sees a fuel burn of under 60 LPH. Other equipment includes: dual generators, desalination, TRAC stabilizes, hydraulic thrusters, chilled water air-conditioning, Meile and Gaggenau appliances, sumptuous leather trim, customized interior design package, stunning cherry-wood interior, full beam master stateroom with king-size bed, marble lined ensuites, extensive redundancy systems, Kevlar hull, 1500lb steelhead hydraulic crane and exceptional finishes! If you're in the market for the finest coastal cruiser then you simply must inspect the Endurance 750 by Hampton Yachts!

This "world release" will be debuting at the upcoming Sanctuary Cove Boatshow with a second Endurance 750 Skylounge version arriving in the third quarter 2010. It will be on display at Gold Coast City Marina from May 2010 and will be available for immediate delivery. A special factory incentive has been offered on this vessel for details please contact the dealer principal Dean Leigh-Smith 0408758887 or 0755025866
