Description of new product :
Professional solutions to keep birds off your boats. Flexible mounting options, innovative solutions to an age old problem of bird poo on your boat. Don't spend your precious time cleaning your boat when you could be using it. Purchase our professional kits to keep your birds off your boats. Many different mounting options and choices to stop the birds landing and keeping the birds off your boats.

Unique Features / other information :
First time at the boat show, this American based product works wonders for keeping birds off your boats. Wind or solar generated movement keeps arms rotating day and night and wards off any common birds that can damage and soil your boat. Easy to install, easy to pack away means more time to enjoy your time off on your boat.
