Model / code of the new product: Coral Sea 55 Power Catamaran

Description of new product :

Coral Sea Marine is an exciting new boat manufacturing company which is based on the Gold Coast in Queensland Australia.

In the pursuit of perfection the development of the Coral Sea 55 is a luxury power catamaran that has been designed to maximize its power catamaran potential which dwarf's most mono-hulls of the same length, whilst our interior design and attention to detail will make you feel like you are really stepping onto a luxury super yacht.

Unique Features / other information :

Proven well-designed multihull offering excellent sea keeping abilities as a stable platform which flattens out the most demanding sea conditions.

Made in Australia on the Gold Coast, Queensland by a team of very skilled craftsman who understand this niche luxury market and what it takes to reach our client's full satisfaction.

Excellent cutting edge European stylish exterior design along with an interior design which maximises the benefits of a power catamaran with quality and style to match that of a super yacht of great value.

The very latest fly by wire electrics fully integrated C-Zone with Simrad electronics for easy of control and personal settings and power drain. Power boat up and down with one button.

The CSM 55' has an overall length of 18.3m (including boarding platform lifting capacity 800kg), a beam of 5.4m and fuel capacity of 5800L and water 1500L. Powering this large Cat is Caterpillar C18's rated at 1000hp each at 2300rpm.
