Model / code of the new product: Besenzoni Carbon Fibre Side Boarding Ladder

Description of new product :

In keeping with it's tradition for innovation over the past 30 years, Gineico are proud to announce the Australian release of the new Besenzoni Carbon fibre side boarding ladders at the Sydney International Boat Show.

Unique Features / other information :

This side ladder represents the latest in high tech accessories and in true Italian style, the sleek curves and high tech materials make this the ultimate side boarding ladder for your luxury cruiser. Available in different sizes to suit any specific requirement, the side boarding ladders are designed to be light and easy to use but ultimately very steady to allow safe and easy access to the bulwark door from the dock

The Sydney International Boat Show  
28 July to 1 August 2011, Darling Harbour, Sydney
