Description of new product :

One of the newest editions to the Regal Bowrider range, the 2500 is an unbelievable new model to hit Australia. This is massive bowrider that eats the Sydney Harbour chop with ease and one which promises a smooth and dry ride everytime you head out. This boat is big to entertain your entire family and friends with ease.

Unique Features / other information :

Built with a new lighter composite material to make this the lightest, quickest and strongest in class

An extra 6 inches of cockpit space to make this boat comparable to a 27 foot in other brands

Award winning patented FasTrac hull allows for 30% better fuel economy, gives the smoothest and driest ride, and is brilliant for cornering and top speeds

Best sportboat built for choppy conditions

The FasTrac is a stepped system built into the hull that allows the boat to travel on a pocket of air

The efficiency of the hull and engine means a 5.0L outperforms a 5.7L compared to other competitors

New upholstery options

European styling meets American craftsmanship

Massive sized head

Fusion Marine ipod dock as standard
