Company Representative : Nick Savva	Mobile contact : 0402 234 839
Website : www.sawwinch.com	Stand Number / Location: 720

Model / code of the new product: 450w Savwinch

Description of new product :
New product unique to the market, and now available in Savwinch electric boat anchor drum winch range. This is a super mini winch suited for boats less than 5 metres in length.

Unique Features / other information :
The smallest ever electric boat anchor winch on the market. This is available for the first time on the market for small boats, less than 5 metres. No longer have to purchase an oversized electric boat winch for your application, this one is the perfect size for a competitive price.
