Website : <a href="http://www.windcraft.com.au/">http://www.windcraft.com.au/</a>	Stand Number / Location: Marina

Model / code of the new product: 45 Classic

## Description of new product :

Launched in December 2010 the Moody 45 Classic is one good looking lady.

The standard soft cream gel coat on the deck and hull is easy on the eye and ideal for those who find white a little harsh in the Australian sun. The subtle cream tones blend beautifully with the teak decks giving a relaxing, classy feel.

The cockpit has little touches like moulded arm rests and offers heaps of space for you to move around.

If you're out with non-sailors they can just sit back and relax - the self-tacking headsail and lead aft lines mean you can sail the Moody 45 Classic without disturbing your guests at all.

And if you like a bit of speed, this yacht is not just a pretty face. She comes with a tapered mast and performance Selden rig as standard. In this year's twilight season on Pittwater she moved up through the divisions leaving the pack standing.

Every Moody yacht is built by the same team from start to finish. Hand building like this means you can be sure of top quality and attention to detail... and sure enough... when you step on board the Moody can feel and see quality everywhere you go.

Here's some examples

Quality Lewmar chrome winches, stainless Vetus dorades, Furlex 300 TD furler, 12 opening oval stainless Rutgersen port holes with blinds and 2 extra large Lewmar opening deck hatches with fly screens and blinds as standard.

The deck is safe and clean with concealed lines and ergonomically placed hand rails. And heading to the bow you'll love the huge anchor locker with standard stainless steel chain serviced by a Lewmar 1000W anchor winch.

Down below the standard 3 cabin 2 head layout gives you a large V berth with heaps of hanging space and a seating area.

The saloon is spacious and comfortable and touches like beautifully finished drawers under the seats add to the feeling of comfort and luxury.
