Website : <a href="http://www.yachtspot.com.au">www.yachtspot.com.au</a>	Stand Number / Location:

<u>Model / code of the new product:</u> J/111
---

<p><u>Description of new product :</u> Newly launched, the J/111 is a sleek, speedy, one-design 36 footer that is the ultimate day-sailing, racing and weekend cruising sailboat.</p> <p>Worldwide interest in the J/111 is strong. By June, J/111's will be sailing in at least ten countries (including Australia and NZ), a remarkably strong debut for this next generation international one-design, and the first JBoat to "go global" in less than twelve months!</p> <p>How will she sail? J/111 accelerates up to speed in the slightest of puffs, thanks to a generous, high-aspect rig combined with a low wetted surface hull. When the wind and waves are up, J/111 pops on plane and delivers the dinghy-like, exhilarating rides that many modern designs struggle to do. Heading upwind, J/111's efficient hull form and low vertical centre of gravity provide the sweet weatherly handling J's are renowned for.</p> <p>J/111 is for sailors who appreciate extraordinary performance, and the strength and robustness to qualify for ISAF Offshore Certification specifications (the first sailboat to do so globally!)</p> <p>J/111 is certainly proving the ideal yacht for our Australian conditions - she has the performance and styling we prefer... clean lines, robust build, designed to sail with less crew, and utilising the latest technology (she comes standard with a Hall carbon nano-tube mast).</p>
